THE CSD CHRONICLE

Vol. 3

HONORING THEIR LEGACY

Pat

After 31 wonderful years serving our patients—29 with Dr. Gist and the past 2 with Center Street Dental—I am grateful for the relationships and memories we've shared. It has been a joy to watch so many families grow through the years, and I truly appreciate being a part of your lives.

As I begin this exciting new chapter, I look forward to celebrating both my children's upcoming weddings and spending more time with future grandchildren. While I will miss seeing all of you, I know you're in wonderful hands with Paige and Jade. Thank you for allowing me to be part of your smiles and your lives. It has truly been a blessing.

– Pat

Georgie

As I begin my journey into semi-retirement, I find myself reflecting on the wonderful people and coworkers I've had the privilege of working with over the past eight years. The friendships and memories I've made at Center Street Dental will always hold a special place in my heart.

For now, I'll continue working on Mondays and Tuesdays, with plans to fully retire at the end of December 2026. In retirement, I look forward to spending more time with my friends and my eight grandchildren. I also plan to give back to the community by volunteering at our local food bank.

Thank you to everyone for making my time here so meaningful. It has truly been a pleasure working alongside such an amazing team.

– Georgie

Over the next six months, we will celebrate the retirements of two dedicated longtime team members while also welcoming two new additions to the Center Street Dental family. Jade and Paige will be leading our front office and are committed to providing the exceptional care and service our patients have come to know and trust.

We invite you to join us in celebrating the remarkable careers of our retiring team members while getting to know the new faces who will continue our tradition of exceptional patient care.

WELCOME OUR NEW TEAM MEMBERS

Jade

FRONT OFFICE TEAM

I grew up in Aberdeen, South Dakota, and attended dental assisting school in Watertown. After graduating, I moved to Omaha, where I worked as a dental assistant for two years before joining the front office team at Center Street Dental.

I enjoy being one of the first friendly faces to welcome our patients and help create a positive experience from the moment they walk through our doors. Outside of work, I stay busy keeping things organized, going for walks, and spending sunny days relaxing by the pool.

I look forward to getting to know our patients and being part of the Center Street Dental family!

Paige

FRONT OFFICE TEAM

I recently joined the front office team at Center Street Dental and enjoy creating a warm, welcoming experience for every patient.

I earned my bachelor's degree from Buena Vista University, where I also played collegiate softball.

Outside of work, I love going for walks, working out, and spending time with family and friends. Most of all, I love taking my miniature dachshund on new adventures.

I look forward to getting to know our patients and being part of the Center Street Dental team!
